PPPU Benchmarking Visit

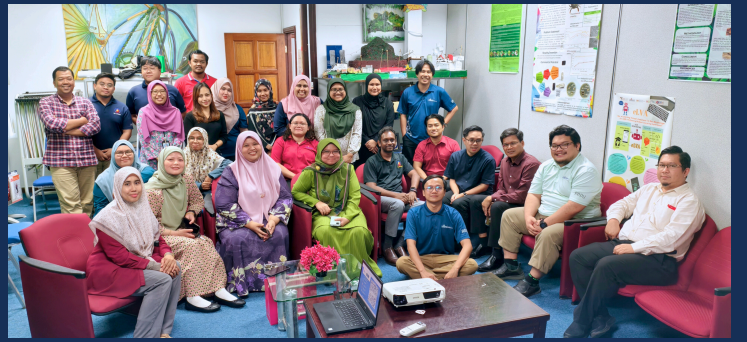

by: Iswan Nur Ariff Ismail

The Centre for Pre-University Studies (CPUS) conducted a benchmarking visit for the Foundation in Computing programme from 26–28 November 2025. The delegation visited Asia Pacific University (APU) on 26 November, Universiti Kuala Lumpur (UniKL) on 27 November, and Universiti Tenaga Nasional (UNITEN) on 28 November. The aim was to gain insights into curriculum design, teaching and learning strategies, assessment practices, and programme management. The PPPU delegation included Ts. Dr. Noor Azie Azura Mohd Arif, Iswan Nur Ariff Ismail, Nor Ika Shahirah Ramli, and Adrus Mohamad Tazuddin. The sessions featured fruitful discussions and facility tour, supporting PPPU's continuous quality improvement efforts.

PPPU UNIMAS Journal Club Highlights: FO-Health & A Glimpse of Japan

by: Dr. Idza Riati Ibrahim

The PPPU UNIMAS Journal Club was successfully held on 23 December 2025 at the PPPU Research Lounge, providing a concise platform for knowledge sharing and strengthening PPPU's research culture. The session featured two speakers. Ts. Dr. Noor Azie Azura Mohd Arif presented "FO-Health", highlighting key insights and reflections on health-related innovation and research perspectives. Khalif Amir Zakry delivered "A Glimpse of Japan", offering an engaging overview of experiences and observations, bringing in broader perspectives that enriched the session's discussion.

Audit Penilaian Pematuhan Akreditasi Penuh 2025

oleh: Dr. Farah Liyana Azizan & Khairil Rizadh Razali

Pada 3–4 Disember 2025, Jawatankuasa Pengurusan Kualiti Akademik Fakulti (UPKA) PPPU yang diketuai oleh Iswan Nur Ariff Ismail, bersama Penyelaras Program Asasi Sains Fizikal PPPU, Dr. Farah Liyana Azizan serta Penyelaras Program Asasi Sains Hayat, Dr. Christharina S Gintoron, dan dibantu oleh Dhana Jay Raja Gopal, Mohd Syamim Safian, Nor Ika Shahirah Ramli dan Awang Zakai Abidin Awang Mohamad, telah berkampung di Fakulti Perubatan dan Sains Kesihatan bagi audit penilaian akreditasi penuh oleh Agensi Kelayakan Malaysia (MQA) dan Ahli Panel Penilai. Audit berkala lima tahun ini meliputi program Asasi Sains Hayat dan Asasi Sains Fizikal, merangkumi semakan dokumen, sesi soal jawab dan lawatan ke PTJ terlibat. Usaha memperkukuh standard kualiti, kredibiliti program serta reputasi Asasi UNIMAS ini disokong oleh kerjasama erat staf PPPU dan didahului dengan jutaan terima kasih.

Maxis X UNIMAS Scienceploration Camp 2025

by: Dr. Mohamad Fhaizal Mohamad Bukhori

Maxis Berhad and the Centre for Pre-University Studies (CPUS), Universiti Malaysia Sarawak (UNIMAS) organised the one-day Maxis X UNIMAS Scienceploration Camp 2025 for local secondary school students under the Maxis eKelas Menuju Gemilang 2025 programme. UNIMAS Deputy Vice-Chancellor (Academic and International) Prof. Dr. Fitri Suraya Mohamad Hapni Joblie said the initiative aligns with UNIMAS' mission to develop future-ready innovators and talent for Malaysia's growth. Maxis Chief Corporate Affairs Officer, Azizul Abdul Rahman highlighted the programmes's role in nurturing ambition and strengthening extracurricular development. The camp featured hands-on workshops, group projects, interactive sessions, and a UNIMAS campus tour.
